Lucille, won't you do your Daddy's will?

Lucille, won't you do your Daddy's will?

Well you ran away and left me

And I Love you still

Lucille, please come back where you belong

Lucille, please come back where you belong

I've been good to you baby

Please don't leave me alone

Well, I woke up this morning, Lucille was not in sight

I asked her friends about her but no, all their lips were

tight

Lucille, baby satisfy my heart

Lucille, baby satisfy my heart

I'll be good to you baby

And give you such a wonderful start

Well, I woke up this morning, Lucille was not in sight

I asked her friends about her but no, all their lips were

tight

Lucille, please come back where you belong

I've been good to you baby

Please don't leave me alone

Lucille, won't you do your Daddy's will?

Lucille, won't you do your Daddy's will?

Well you ran away and left me

And I Love you still

Lucille, baby satisfy my heart

Lucille, baby satisfy my heart

I stayed for you baby

And gave you such a wonderful start
