Captured my heart
captured my memory

Captured a time for me
I could see time for me is gonna be.
Deep in my heart
deep in my memory

Deep in a part of me
heart of me meant to be history

Could it be that I'm still wond'ring?
I never knew what had happened to me
I didn't think it was true

That I could be just like anyone else
I'll take my chance with you.
Picture a dream
picture a fantasy

Picture a mood of me
mystery
you and me a mystery
Lost in a dream
lost in a phantasy
lost in what seemed to be

Dreams to me seemed to be
had to be
couldn't find no other reason.
I never knew what happened to me
I didn't think it was true

...

Let's have a drink
it's marguerita time

It's marguerita time
after nine
summertime
anytime.
You'll still always find me wond'ring.
I never knew what had happened to me

I didn't think it was true
