Dreamin', goin' on a night ride, hopin', it's gonna be
the right ride
Feelin' so well, I'm in tune, can't you tell that I'm
groovin'?
Can't you tell I'm in tune and I'm movin' so much closer
to you?

Leanin', hopin' for a straight line, meanin', hopin' for
the right rhyme
I'm in tune to the room, 'cos my head just went boom
and I'm movin'
Can't you tell I'm in tune and I'm movin' so much closer
to you?
Can't you tell I'm in tune and I'm movin' so much closer
to you?

You, you, you, you, you move me
You, you, you, you, you move me
You, you, you, you, you move me
You, you, you, you, you move me

Scheming, thinking of the right place, beamin', laughin'
at my own face
We've got a long way to go 'cos you make like you're so
disapproving
But can't you tell I'm in tune and I'm movin' so much
closer to you?
Can't you tell I'm in tune and I'm movin' so much closer
to you?

You, you, you, you, you move me
You, you, you, you, you move me
You, you, you, you, you move me
