

Status Quo "No Contract"

Visit "[No Contract](#)" on MotoLyrics.com

I don't want your lovin', baby, I won't give you mine
I need more than ifs and maybes to help me pass the
time
Give me private lessons, teach me all you can
Play me silent movies, but remember, babe, oh,
remember, babe
We don't got no contract

I won't buy your lyin', baby, you won't buy my love
Don't you think no cryin', baby, I won't take no bluff
Give me private lessons, teach me all you can
Play me silent movies, but remember, babe, oh,
remember, babe
We don't got no contract, oh, no

Give me private lessons, teach me all you can
Play me silent movies, but remember, babe, oh,
remember, babe
We don't got no contract, oh, no
