When I'm talkin' nothing's getting through
If I'm screaming it's never clear to you
Can you hear me, am I wasting my time?
Am I working in a one man band?

When I'm lookin' straight into your eyes
Is there anyone home? You're tellin' me lies
Listen to me, are you wasting my time?
It's lonely in a one man band
Lonely in a one man band

Words out of line, don't ever hurt you
Forever crying trying to turn you around

Woh, oh, oh, oh
Woh, oh, oh, oh
Woh, oh, oh, oh
Woh, oh, oh, oh

One man band

Anticipating what you're gonna do
Still waiting for a sign from you
Come together, are we wasting our time?
And I'll always be a one man band
I'll always be a one man band
It's lonely in a one man band

Woh, oh, oh, oh
Woh, oh, oh, oh
Woh, oh, oh, oh
Woh, oh, oh, oh
