How can I see what I'm leaving for?
How can I give what I gave before?
How can you tell me that you want me to stay?
How can I stay when I'm trying to say?

That I can live without the rain
Yes, I can live without the rain

How can I feel what I'm trying to feel?
How can I move when I'm heel to heel?
You're always shouting about the doubt in my eye
But I can't answer 'cause my eyes are so dry

Now I can live without the rain
Yes, I can live without the rain

Now I can live without the rain
That's falling on my head
Rain that's falling on my head

Rain that's falling
Rain that's falling
Rain that's falling on my head

I started thinking back to you know when
I'd like to send a line but then again
How can I write you when there ain't no light
I'm feeling tight tonight and that's alright

Now I can live without the rain
Yes, I can live without the rain
