Take us along on a mystery train that's going nowhere Take us along on a mystery train that's going nowhere

Just let us ride, we don't want to be tied Had enough of peeping and hiding Rolling away 'cause this is our day And everybody's feeling alright

We wanna run on the 9:41 'til we're there We wanna run on the 9:41 'til we're there

Taking our time, only trucking the line Everybody knows where we're going Rolling away 'cause this is our day And everybody's feeling alright

Just let us ride, we don't wanna be tied Rolling our way back home Taking our time, only trucking a line Rolling our way back home

We're rockers rollin', yeah We're rockers rollin', yeah We're rockers rollin', yeah We're rockers rollin'

Nowhere to stay at the end of the day but you're movin' Nowhere to stay at the end of the day, keep on movin'

Nowhere to sleep and I'm out on my feet Had enough of peeping and hiding Oh, what a day, what I'm trying to say Is everybody's feeling alright?

Just let us ride, we don't wanna be tied Rolling our way back home Taking our time, only trucking a line Rolling our way back home

We're rockers rollin', yeah We're rockers rollin', yeah We're rockers rollin', yeah
