We can dance if we want to,
We can leave your friends behind
'Cos your friends don't dance,
And if they don't dance
Well they're no friends of mine.
Say, we can go where we want to,
Places they can never find.
And we can act like we come from out of this world
Leave the real world far behind.

We can go if we want to,
Night is young and so was I.
And we can dress real neat
From our heads to our feet.
And surprise them with a victory cry.
I said, we can act if we want to,
If we don't nobody will.
And you can act real rude
And totally removed.
I can act like an imbecile.

We can dance, we can dance,
Everything is under control
We can dance, we can dance,
Doing it from pole to pole
We can dance, we can dance,
Everybody look at your hands.
We can dance, we can dance,
Everybody's taking the chance.
The safety dance
Woh, safety dance, yeah, the safety dance.

We can dance if we want to,
We got all your life to find
As long as we have music,
Never gonna lose it,
Everything will work out right
We can dance if we want to,
We can leave your friends behind
'Cos your friends don't dance,
And if they don't dance

Well they're no friends of mine.

We can dance, we can dance,
Everything is under control
We can dance, we can dance,
Doing it from pole to pole
We can dance, we can dance,
Everybody look at your hands
We can dance, we can dance,
Everybody's taking the chance

Safety dance.

Oh, safety dance, yeah, safety dance.

Safety dance, safety dance.

Oh, safety dance, safety dance.
