Sweet little Sheila, you'll know her if you see her
Blue eyes and a ponytail
Cheeks are rosy, she looks a little nosey
Man, this little girl is fine

Never knew a girl like little Sheila
Her name drives me insane
Sweet little girl, that's my little Sheila
Man, this little girl is fine

Me and Sheila go for a ride, oh, oh, oh, oh
Feel funny inside
Then little Sheila, whispers in my ear, oh, oh, oh, oh
I love you Sheila dear

Sheila said she loves me, she said she'd never leave
me
True love that will never die
We're doggone happy, just me and her together
Man, this little girl is fine

Never knew a girl like little Sheila
Her name drives me insane
Sweet little girl, that's my little Sheila
Man, this little girl is fine

Me and Sheila go for a ride, oh, oh, oh, oh
Feel funny inside
Then little Sheila whispers in my ear, oh, oh, oh, oh
I love you Sheila dear

Sheila said she loves me, she said she'd never leave
me
True love that will never die
We're doggone happy, just me and her together
Man, this little girl is fine
Man, this little girl is fine
Man, this little girl is fine
