I see you ev'ry day  
Walkin' down the avenue

I like to get to know ya  
But all I do is smile at you.  
'cause Baby when it comes to talkin'  
My tongue gets up tight

This side-walk love affair  
Has got me high as a kite.  
Yeah  
yeah  
there's somethin' 'bout you Baby  
I like.  
Well  
I'm a slow walker  
But girl  
I'd race a mile for you

Just to get back in time  
For my peek aboo-rendezvous.  
Well  
maybe it's the way you wear  
Your blue jeans so tight

I can't put my finger on  
What you're doin' right.  
Yeah  
yeah  
there's somethin' 'bout you Baby  
I like.  
Yeah  
yeah  
there's somethin' 'bout you Baby  
I like.  
I'm standin' on a corner  
Smiling by a telephone

I love to check you over  
Got to know you with a fine tooth comb.  
Oh Baby  
when I get home

I turn out the light

And than you come in strolling  
Through my dreams ev'ry night.

Yeah

yeah

there's somethin' 'bout you Baby

I like.

Yeah

yeah

there's somethin' 'bout you Baby

I like.
