Spicks and Specks (B. Gibb)

Where is the sun
That shone on my head
The sun in my life
It is dead, it is dead

Where is the light
That would stay in my street
And where are the friends
I could meet, I could meet

Where are the girls
I left far behind
The spicks and the specks
Of the girls on my mind

Where is the sun
That shone on my head
The sun in my life
It is dead, it is dead

Where are the girls
I left far behind
The spicks and the specks
Of the girls on my mind

Where are the girls
I left far behind
The spicks and the specks
Of the girls on my mind

Where is the girl
I have loved all along
The girl that I love
She is gone, she is gone

All of my life
I call yesterday
The spicks and the specks

Of my life gone away

All of my life
I call yesterday
The spicks and the specks
Of my life gone away

Where is the sun
That shone on my head
The sun in my life
It is dead, it is dead
