I can't leave, but I won't stay here  
If I stay, I still won't be here  
I am the grass upon which she lays  
April spring summer and Wednesdays  
I am the hand which feeds her always  
I am the bed upon which she plays

Nah, na na nah, na na nah-ah  
Nah, na na nah, na na nah  
Nah, na na nah, na na nah-ah  
Nah, na na nah, na na nah

I can't leave, but I won't stay here  
If I stay, I still won't be here  
I am the feathers in her pillow  
Anywhere I hide, she knows, I know  
I am the sunshine through her window  
Anywhere I go, she goes, we go

Nah, na na nah, na na nah-ah  
Nah, na na nah, na na nah  
Nah, na na nah, na na nah-ah  
Nah, na na nah, na na nah

I can't leave, but I won't stay here  
If I stay, I still won't be here  
I am the grass upon which she lays  
April spring summer and Wednesdays  
I am the hand which feeds her always  
I am the bed upon which she plays

Nah, na na nah, na na nah-ah  
Nah, na na nah, na na nah  
Nah, na na nah, na na nah-ah  
Nah, na na nah, na na nah
