Sittin' in a cornfield
Lookin' at the cob
Thinkin' of a long line
Waiting for a job

And I'm alone and that's a fact
And I'm alone and that's a fact

Sittin' in a full car
Someone at the wheel
Goin' to a new stop
I wonder if it's real

And I'm alone and that's a fact
And I'm alone and that's a fact

I need to, maybe talk to you
Said, I need to and said, I need you

I need to, I need to be with you
I said, I need to, I gotta see you

Sittin' at a new stop
I didn't get the job
Couldn't find a long line
Took another drop

And I'm alone and that's a fact
So I'm alone and that's a fact

Sittin' at a new stop
I didn't get the job
Couldn't find a long line
I took another drop

And I'm alone and that's a fact
So I'm alone and that's a fact
I'm alone and that's a fact

And that's a fact
That's a fact, that's a fact
That's a fact, that's a fact

That's a fact
