I'm leaving you on your own, I'm learning a little about  
you  
Take your hat and say goodbye, I can have a little cry  
without you, without you  
Don't you feel that your room is lonelier?  
Rainy nights, wasted days  
But that's alright, 'cos I'm a lonely one  
And I'll carry on

In the morning there's only me, lying longer, can't you  
see, without you  
Bring your things and say goodbye, call your friends  
and tell them why I need you, I need you  
Don't you feel that your room is lonelier?  
Rainy nights, wasted days  
But that's alright, 'cos I'm a lonely one and I'll carry on  
Yes I'll carry on, carry on and on, I will carry on

Never funny, without a smile, waiting longer every mile  
without you  
As we sail away on wings I remember funny things  
about you  
Don't you feel that your room is lonelier?  
Rainy nights, wasted days  
But that's alright, 'cos I'm the lonely one and I'll carry  
on

Don't you feel that your room is lonelier?  
Rainy nights, wasted days  
But that's alright, 'cos I'm the lonely one and I'll carry  
on  
But that's alright, 'cos I'm the lonely one and I'll carry  
on  
Yes that's alright, 'cos I'm the lonely one and I'll carry  
on  
Yes I'll carry on, carry on and on, yes I'll carry on, carry  
on and on,  
Yes I'll carry on, carry on and on, yes I'll carry on, carry  
on and on
