I study nuclear science, I love my classes  
I got a crazy teacher who wears dark glasses  
Things are going great, and they're only getting better  
I'm doing all right, getting good grades  
The future's so bright I gotta wear shades

I gotta job waiting for my graduation  
Fifty thou a year will buy a lotta beer  
Things are going great, and they're only getting better  
I'm doing all right, getting good grades  
The future's so bright I gotta wear shades

I'm heavenly blessed and worldly wise  
I'm a peeping-tom techy with x-ray eyes  
Things are going great, and they're only getting better  
I'm doing all right, getting good grades  
The future's so bright I gotta wear shades

Yeah, I'm doing all right, getting good grades  
The future's so bright I gotta wear shades  
I'm doing all right, getting good grades  
The future's so bright I gotta wear shades  
Yeah I'm doing all right, getting good grades  
The future's so bright I gotta wear shades  
I gotta wear shades, I gotta wear shades  
Gotta wear shades, got to wear shades  
I'm heavenly blessed and worldly wise  
I'm a peeping tom techy with x-ray eyes
