Heaven's above, his mother would say  
My Tommy's in love, he's moody all day  
He's out of his mind, suspended in time

But he tries alibis and he tries to explain, saying  
"Let me go, let me  
Let me go, let me go, let me go, let me go"

And he tries little lies, then he tries to refrain, saying  
"Let me go, let me  
Let me go, let me go, let me go, let me go"

Listen to me, his mother would say  
You're young and in love, it won't last that way  
You're only a boy, you'll grow up in time

But he tries alibis and he tries to explain, saying  
"Let me go, let me  
Let me go, let me go, let me go, let me go"

And he tries little lies, then he tries to refrain, saying  
"Let me go, let me  
Let me go, let me go, let me go, let me go"

Tommy's in love, he's always that way  
Whatever he does, if only he'd say  
He's feeling so fine, she's looking so sweet

But he tries alibis and he tries to explain, saying  
"Let me go, let me  
Let me go, let me go, let me go, let me go"

And he tries little lies, then he tries to refrain, saying  
"Let me go, let me  
Let me go, let me go, let me go, let me go"

But he tries alibis and he tries to explain, saying  
"Let me go, let me  
Let me go, let me go, let me go, let me go"

And he tries little lies, then he tries to refrain, saying  
"Let me go, let me"
