Nowadays so many things have changed
I can feel the cold
Don't be blind and start to realize
If not, your'e just a morphing soul
In a virtual world

~HOMELESS HEART, LEFT ALONE, LOOKING FOR A
HOLD~

Children hypnotized in front of a T.V
Playing lonely, just with best friend T.F.T.
People surfing, chatting all around the world
Ignoring time and the ones they will need
When they sit in the cold
Think about if that's the way life should be
~ YOU NEED TOUCH ~
You'll never get thrill from talking to a screen
~ IT MEANS SO MUCH ~
I just doubt, that is the way you want to get old
Without the feeling of love, you'll be lost
In a virtual world

~HOMELESS HEART, LEFT ALONE, LOOKING FOR A
HOLD~

But from the very start, it was a world apart
Searching for digital horizons
I can trust in love and my soul
Instead of a virtual world

Night and day, I see these people on the street
~ THEY NEED TOUCH ~
Cyber junkies, losing sense of reality
~ IT MEANS SO MUCH ~
Surrounded by machines without a bit of soul
Ignoring time and the ones that will help
When they sit in the cold

Think about if that's the way life should be
~ YOU NEED TOUCH ~

You'll never get thrill from talking to a screen
~ IT MEANS SO MUCH ~
I just doubt, that is the way you want to get old
Without the feeling of love, you'll be lost
In a virtual world
