I got  
Fat knees  
>From crawling so fast  
I got  
Sore lips  
>From kissin' your ass  
I know  
I don't want  
Anymore part of you  
I got  
Brain pain  
You make me so mad  
I got  
Black eyes  
>From fightin' your dad  
I know  
I don't want  
Anymore part of you  
Get out...get out  
Get out and walk  
Stop blowing kisses  
Across the hall  
Don't write me letters  
And please don't call  
Gimme me a break  
Get out and walk  
I got  
Slipped discs  
With you on my back  
I got  
Ulcers from swallowing crap  
I know  
I don't want  
Anymore part of you  
Get out...get out  
Get out and walk  
Stop blowing kisses  
Across the hall  
Don't write me letters  
And please don't call  
Gimme me a break  
Get out and walk

Get out...get out  
Get out and walk  
Stop blowing kisses  
Across the hall  
Don't write me letters  
And please don't call  
Gimme me a break  
Get out and walk
