You're a dreamer
A pretty little dreamer
I couldn't leave you
I really couldn't leave you
You didn't gimme gimme time to beat the fever
I've got the fever
I couldn't beat the fever
Just listen while I'm talking to you
All night long
Right or wrong
Listen to me all night long
I'm never gonna waste time crying
All night long
Right or wrong
I won't be crying all night long
You're a dreamer
A purty little dreamer
I couldn't leave you
I really couldn't leave you
You didn't gimme gimme time to beat the fever
I've got the fever
I couldn't beat the fever
You're a dreamer
A purty little dreamer
I couldn't leave you
I really couldn't leave you
You didn't gimme gimme time to beat the fever
I've got the fever
I couldn't beat the fever
I've waited long enough I reckon
On my own
Tried to phone
Tried to phone, but you're not home
I'm thinking while I try and reason
what went wrong
Something's gone
Ain't no good in hanging on
You're a dreamer
A purty little dreamer
I couldn't leave you
I really couldn't leave you
You didn't gimme gimme time to beat the fever

I got the fever
A fever for the dreamer
You didn't gimme gimme time to beat the fever
I've got the fever
A fever for the dreamer
You didn't gimme gimme time to beat the fever
I've got the fever
A fever for the dreamer
You didn't gimme gimme
You didn't gimme gimme
You didn't gimme gimme
