{\*dogs barking\*}

[Intro: Kanye West (Monica)]

Yo Monica, I know you shootin' that video in there  
Aw, you just ain't gon' let me in the video, huh?  
No no, i-it's me, Kanye West (It's funny how the tables  
turn)  
You know, th-throw your diamonds up? Through the  
wire? (turn)  
You ain't seen my video, heh? (turn, turn)  
You know, I- like me and Missy we did this song  
together whatever  
Um, okay, well

[Interlude: Kanye West]

I can't keep knockin' and keep rockin' and keep poppin'  
I keep droppin' and keep poppin' and keep rockin'  
But I can't keep knockin' and keep knockin'  
And keep poppin' and keep rockin'  
Let's get it poppin'

[Missy Elliot {\*overlaps Kanye West Interlude\*}]

So upset  
This that hot shit  
Uh huh, yeah  
New Monica!

[Verse 1: Kanye West]

Now you ain't let me in the video (true)  
Play me like Semi did Arsenio (true)  
I'm Kanye from the Chi city yo (who?)  
I'm the nigga that did the beat yo  
You know we too old for this like Holyfield still boxin'  
Ya will watch and I look back, ya still watchin'  
What he got that I ain't got? I got Benz  
I got rims, not 20s but I got 10s  
Real real clean, come and get your rear wheel cleaned  
She did what with who? Man I hear things  
Like when I was doin' my dirt and she heard things  
Up worryin' while she wore her ring  
Now she got a fling and where's her ring?

That devious is in the purse now, feelin's in the dirt now  
Somebody buyin' the bar, quenchin' her thirst now  
Somebody bought her a dress, she in the church now  
And what's worse now, she ain' gotta work now  
She cuffed an NBA player from the first round  
I grabbed her neck and made it hurt to breathe  
She said "Security, this jerk could leave"  
And uh

[Verse 2: Monica]

So do just what you want anytime that you really like  
I put a payment on my place, you be sleepin' alone  
tonight  
So don't you come knockin'

[Hook (Monica)]

Knock knock knock, stop knocking  
Don't come knocking at my do'  
(Don't you come knockin' at, whoa)  
Ring ring ring, let the phone stop  
I don't want you calling me no mo'

[Kanye West {\*overlaps chorus\*}]

Yo this the remix, and I'm Kon the Louis Vuitton Don  
Or you can call me Louis the XIV  
By the way cause I dropped out of the fourteenth grade

[Verse 3: Monica (Kanye West)]

I used to be so gone  
You were someone I could lean on  
My life support system (uh huh)  
And I thought I couldn't breathe, ah ah  
When you used to leave, yep (ye) yep (ye)  
I see you put yo clean on  
Big chains, gold teeth, and yo gleam on (Roc-a-Fella  
chain)  
All night wanna be gone  
Wanna tell me stay home like I got a [fuckin'] ring on

Now you say I'm not your wife, right right (you like  
wifey)  
So why should I be chillin'? goodnight goodnight (oh)  
Now pack up my things for a flight (ok)  
I got a place and it's fixed up nice  
So don't come knocking at my do' (aw man)  
I got company comin 'round fo'  
So whoa whoa, haha, yeah

[Hook (Kanye West)]

I don't want you callin' me no mo'  
Knock, knock, knock, stop knocking (yeah)

Don't come knocking at my door

[Interlude: Kanye West]

And I can't keep knockin' and keep rockin'

Let's get it poppin' and that's stoppin'

[Hook]

Ring ring ring, let the phone stop

I don't want you calling me no mo'

[Outro: Kanye West]

What up really though, I see

And the lot gon' be mad as hell when we go on tour

You see I already got GLC up outta there

Aw, we fit to blow man

You know we got the game on smash

Giant monopoly, Don C

Yeah, you know I got that boogie

And Jay boogie well

Yeah, what up Roc?

Yeah, it won't stop

Well Tiffany, I'll see you

[Outro: Monica {\*overlaps Kanye West\*}]

Changed my locks, took my things

Can't come in

Changed my locks, took my things

Can't come in

I don't want you calling me no mo'
