Baby I'm, baby I'm a new man.
I got my finger on the trigger.
When I pull it we explode
And run a thousand miles to get home
And get out of these clothes
And make love in a new way.
I wanna be your brand new day.
Surprised are my eyes when I'm yours.

Hey, we're alive and this feels just fine.
Baby, give me a sign and I'll wait forever more.
I've come too far to let this go.
Give me the time 'cause I need you to know that I'm not
giving up,
Giving up, no, giving up, whoa.
We sing baby "let go, let go!"
We sing "whoa!"
We'll find the time to love and we'll live each day like
We're not coming home.
No, we're not coming home.

Hey, we're alive and this feels just fine.
Baby, give me a sign and I'll wait forever more.
I've come too far to let this go.
Give me the time 'cause I need you to know that I'm not
giving up,
Giving up, no, giving up, whoa.
We sing baby "let go, let go!"
We sing "whoa!"

Up on the wall you're making me wanna baby I'm rings
you're dancing for dollars.
"Get up, get up!" and sing this with me.
"Get up, get up!" and sing this with me.
Up on the wall you're making me wanna baby I'm rings
don't act like you oughta.
"Get up, get up!" and sing this with me.
"Get up, get up!" and sing this with me.

Give me a sign and I'll wait forever more.
I've come too far to let this go.

Give me a sign and I'll wait forever more.
I've come too far to let this go.
Give me the time 'cause I need you to know that I'm not
giving up,
Giving up, no, giving up, whoa.
