we got seperated and i start to balme my soul  
and say i wish everdy pass is hard and sapartaions in harder and harde

we got seoertated and u start to balme my soul and say i wish everyday is  
afr2ana wabadet aloom fe rohy wa a2ool kool youm be ady asab wa fora2 asab wa asab

i wish i died at the time a said it or even thought about it  
and form torture to torture id harder and the truth is iam over

what happend to me that day what happened i was crule i was mean why  
thousand why and how i lost her why i hurt her why and why i borke her  
after i ruined your pictuer now iam dying for it

i wish i died at the time a said it or even thought about it  
and form torture to torture id harder and the truth is iam over
