My emotion runs high
Can you counterweight and make me feel?
Can you hear my voice come down, down, down?
Can you take that away and do what i say?

Fuck you, this doesnt matter
Dont say this doesnt matter now
Cuz you dont know what you mean

Im so tired of your ways
Dont say this doesnt matter
Fuck you, this doesnt matter
Im so tired of your ways
Dont say this doesnt matter

Cuz it matters

My emotion runs high
Can you take that away to make me feel?
I gave through intimidation
Cut back by the words you said, you said
And the way you said them

Fuck you, this doesnt matter
Dont say this doesnt matter
Cuz you dont know what you mean

Im so tired of your ways
Dont say this doesnt matter
Fuck you, this doesnt matter
Im so tired of your ways
Dont say this doesnt matter

Cuz its matters to me
It matters

Im so tired of your ways
Dont say this doesnt matter
Fuck you, this doesnt matter
Im so tired of your ways
Dont say this doesnt matter

It matters, it matters
It matters to me
