You know you got it, its just what I need
Your sex sells and Im sold honey
So come over to me, yeah
Cuz Im fully loaded and youre looking mean
You tell me you like to play with guns, little darlin
Lets have some fun, come on play with me

Cuz you feel so right
With your back against the wall
Youre so beautiful
From the top to the bottom of your soul

With the bite of your kiss and curve of your hips
The way you move youve got me consumed
Come on, come on
Im about you
This is a lustful attack
As your nails run down my back
You know you got it
You know you got just what I need

Cuz you feel so right
With your back against the wall
And youre so beautiful
From the top to the bottom of your soul
Cuz you feel so right
I just gotta have it all
Im gunna make it
Make it to the bottom of you

Cuz you feel so right
With your back against the wall
And youre so beautiful
From the top to the bottom of your soul
Cuz you feel so right
Ive just gotta have it all
Were gunna make it
Make it to the bottom of you

And you feel so right
Just feel so right

Gunna make it
Make it to the bottom of you
Of you
To the bottom of you
