The words you say are so mean  
The way they cut-cut  
And the way they hurt me  
As if I am never good enough for you, for you  
Something in the way  
The way you walk and the way you talk  
Well Im sorry that you, you, you feel sorry for me  
And Im sorry to say it

Why cant you be there?  
Why cant you even care?  
Why cant life be fair?  
Why am I never good enough?

You set me up to fall down  
To hit the ground running  
While all the time coming  
Was the biggest fall of all  
Well I lost control seemed to have lost my soul  
You tried to away my fantasy  
Rock and roll was the olny goal  
The thing that meant the most to me  
Cant you see thats all Ill ever be?

Why cant you be there?  
Why cant you even care?  
Why cant life be fair?  
Why am I never good enough?  
Enough, enough

Im never good enough  
Im never good enough  
Im never good enough  
Why?  
The words you say are just so mean  
Choking my self esteem  
I guess I will never be good enough for you

Why cant you be there?  
Why cant you even care?  
Why cant life be fair?

Why am I never good enough?

Why cant you be there?

Why cant you even care?

Why cant life be fair?

I never good enough
