Wake me up cuz I cant sleep
Call me anytime you need, you need
I put my pain into you
I hurt myself through you
So call me up anytime you need, you need me

As I lie here waiting
I try to forget you mean
But life dont keep waiting for you
And I cant keep saying

So long to sleep
Cuz you are everything that I dreamed

As I lay here waiting
I try to think of just what Id do if I saw you
What if I saw you?
Cuz I dont want you to see me
Im broken down, torn up and lonely
If I saw you, what if you saw me?

So, so long to sleep
Cuz you are everything that I dreamed
So, so long to sleep
Cuz you meant everything to me
So, so long to sleep
Cuz you were everything to me

So long, so long
So long, so long
So long, so long
So long, so long
So whats left for me then?
Whats left for me then?

You wereeverything that I dreamed
So, so long to sleep
Cuz you were everything that I dreamed
So, so long to sleep
Cuz you meant everything to me

To me, so long, so long
To me, so long, so long
To me, so long, so long
To me, so long, so long

If I wasted your time, Im sorry
For wasting your time, Im sorry
I wasted your time, Im sorry
If I wasted, wasted your time
