I woke up, remembered everything
I said to you last night
But this time I sure won't worry
About what I might have done
?Cause I was out to please myself
Right or wrong

You came in, looking like a long-lost sheep
Said I'd been using you
You got what you wanted
And that's all right

But you were out to please yourself
Right or wrong
Yeah, you were out to please yourself
Right or wrong

Don't hang your head down
There ain't no shame
In what we've both been through
Although I'd like to help you out

You know I've got to save myself
Right or wrong
You know I've got to save myself
Right or wrong

When you go back
You know you're gonna have to look your best
You're gonna have to turn on the magic
Make believe it's real

You're gonna have to save yourself
Right or wrong
Yeah, we were out to please ourselves
Right or wrong
Yeah, we were out to please ourselves

Yeah, please yourself
Please yourself
Right or wrong
Yeah, please yourself
