Yeah, rock and roll

At the end of a dream  
If you know where I been  
When the mist just starts to clear  
In a similar way  
At the end of today  
I could feel the sound of  
Writing on the wall  
It cries for you  
It's the least that you can do  
Like a spiral on the wind  
I can hear it screaming in my mind

Long live rock and roll  
Long live rock n roll  
Long live rock and roll

In a different time  
When the words didn't rhyme  
You could never quite be sure  
Then on with the change  
It was simple but strange  
And you knew the feeling seemed to say it all  
It cries for you  
It's the least that you can do  
Like a spiral on the wind  
I can hear it screaming in my mind

Long live rock and roll  
Long live rock n roll  
Long live rock and roll  
Rock and roll

Yeah, please live

Long live rock and roll  
Long live rock n roll  
Long live rock and roll

Long live rock and roll  
Long live rock n roll

Long live rock and roll

Long live rock and roll

Long live rock n roll

Long live rock and roll

Rock and roll
