You have angel eyes  
Such a smile that lights up my life oh  
You're a dream come true  
Now I'm holding you  
And I'll never, never let you go  
I will never let you go

First time I laid my eyes upon you  
All my dreams were answered  
First time I kissed your tender lips  
My love to you I surrendered

Angel eyes  
My heart relies  
On the love you give to me  
You never let me down  
You're always by my side  
And I'll never, never let you go  
I will never let you go

When my heart starts to crumble  
And the tears start to fall  
You hold me close with tender lovin'  
And give me strength to carry on

I'll never let you go  
You're always on my mind  
You're the only one for me  
You're all I need  
And I'll never, never let you go
