We are the ragin storm that is
Blasting though your head!
If you can't feel this sounds
You rather should be dead!

We fight with courage and power
For the way of how we life!
If you want to join this battle
This promise I will give...

We are the kings of honour
We are the men of way
The riders for the glory
We are the falcon in the storm!

Up from the darkest ground
That no one can resist..
We will rise again and
Force back the darkness!

Refuse all temptations
And hail the Metalgods!
Defend what you believe
And stand firm like a rock!

Hail to them who stand up for their life!
This is a declaration of war to all who deny!

We are the kings of honour
We are the men of way
The riders for the glory
We are the falcon in the storm!
