In past.....

Time of tales.....

Imagination creates.....

A little dream.....

When the sundown comes and melts with the earth
it begins our night of the dream.

It's a story of heroes and mountains so high
and a man who lives in the sky!

I have seen the eyes in the shadow
I have climbed on the hills of god
Took my sword and ran above the battlefield
To protect my honor and lord!

Live and die in the light of the moon
In darkness we will meet soon
But tonight with glory we fight!

Searching the deepest dungeons
My sword shines red
Sending the horrors to the dead!

Standing on the highest mountain
Seeing my triumph
The power of gods
Bless myself with insanity!

Wake up
Shouting screams of pain
In a world of nightmares
That is called
Reality...
I will travel back
To the land
Of dreams...

I have seen the eyes in the shadow
I have climbed on the hills of god
Took my sword and ran above the battlefield
To protect my honor and lord!
... my honor and lord!
