i am on a journey  
a journey that took years  
more than a human life  
Now i'm at the end  
i saw enough things  
things that would made a man insane

i am Kane, Kane the damned  
my name is spoken with fear  
i'm a legend and cruel reality  
i am Kane, Kane the damned

they are all evil  
but it was me  
who they are calling Death!  
make them insane  
i killed them for fame  
killed for pleasure  
killed them for vain.

i am Kane the lost  
Kane the damned  
and Kane the ruler  
i'm always at your side

now i am turning evil  
i saw nothing there is nothing new  
known on this world  
tired of living  
and tired of time  
i still can't die  
i will never die

i am Kane, Kane the damned  
my name is spoken with fear  
i'm a legend and cruel reality

i am Kane, Kane the damned
