Thought I Was In Love Before
Never Knew That There Was More
Saw the World In Black And White
Until You Came Into My Life

Suddenly Before My Eyes
There's A Rainbow In The Sky
Reaching Out And Telling Me That It's You I Need

Now That I Love You
I Know I Knew Never Never Loved Anyone Before You
Cause This Is So Real
Now That I Found You
I Know I Could Never Never Live My Life Without You
Now That I Love You

I Was Taken By Surprise
All At Once I Realized
How Your Love Completed Me
And How You Are My Destiny

You've Become The Air I Breathe
You're Nothing Less Than Everything
You're In My Heart And In My Soul
You Have Made Me Whole

Now That I Love You
I Know I Knew Never Never Loved Anyone Before You
Cause This Is So Real
Now That I Found You
I Know I Could Never Never Live My Life Without You
Now That I Love You

Never In My Life Have I Been Touched This Way
Never Been Moved To Say, I Want Forever With You
(And) Never Have I Wanted Someone More Than You
Never Been Closer To My Heart

And Now That I Love You I Love You
