Well, I've been around the world, well, I've seen all
kinds of girls
But not like the one I met last night
She said, "Boy, I really like your style, forgive me if I
appear too wild
But I want to mow you down like a freight train?"

I jumped back, I saw the fire in her eyes
Well, I started shaking in my shoes
She said, "Relax babe, you're in good hands?"
Oh, tell me what have you got to lose

Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more
Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more

Back seat, she was running hot, she said, "Baby give
me all you got?"
Time for dirty dog to come feed the kitty
Well, we were bumpin' and grindin' all night, hanging
on with all my might
Rollin' till the train was running off the tracks

The smoke cleared, I looked into her lovin' eyes
Well, I knew my love was on the line
I said, "Girl, I'd be a fool to let you go?"
She said, "Come on boy, stop wastin' time?"

Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more
Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more

Oh baby, yeah that's it, that's it baby
A little lower, c'mon
Ah, no no no no, not there, yeah, that's it
Speed up now, c'mon

I'm goin' down down, down down
I'm goin' down down, down down
And I'm goin' down down, oh, down down

And I'm goin' down, down, down, down, down, down,
down

Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more
Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more

Baby, c'mon baby, baby, b-b-baby
C'mon and shake me, shake me, shake

Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more

Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more
Get down n' dirty, lay it on the floor
Shake, shake it up baby, shake it up some more
Get down n' dirty
