Bring it on  
Yeah

She's got a fire burning in her eyes  
Make you feel like a new born child  
She can turn the cold lonely night into a rollercoaster  
ride  
And she's givin' it all, givin' it all away

Everybody loves Eileen  
She's a sweet little rock and roll machine  
Just the sweetiest thing you ever seen  
Everybody loves Eileen

Oh yeah

She can tell a joke and make you cry  
Take your heart a thousand miles high  
Sing love a lullaby like an angel of the night  
She's so close and she's so far away

Everybody loves Eileen  
She's a sweet little rock and roll machine  
Just the sweetiest thing you ever seen  
Everybody loves Eileen

Ohh yeah

I want her love  
She drives me crazy  
I need her love  
I want to follow my lady

Everybody loves Eileen  
She's a sweet little rock and roll machine  
Just the sweetiest thing you ever seen  
Everybody loves Eileen

Everybody loves Eileen  
She's a sweet little rock and roll machine  
Just the sweetiest thing you ever seen  
Everybody loves Eileen
