Standin' on the front line, a bullet in my head  
Run a bad luck highway mile, ridin' the rails naked and  
dead  
Sins of the flesh, seasons of the witch  
Ain't nobody gonna scratch my itch  
Spin another lie and tell me it's alright, yeah it's alright  
It's ow, ow, ow, ow, ow!

Chorus:

Smooth side down, sticky side up  
Watch me drown in your lovin' cup  
Nail me to the floor, roll me in the rug  
Smooth side down, sticky sticky side up  
Scratchin' on the back door, ringin' in my ears  
Hang dog on a ball and chain, gettin' high on the  
Devil's tears  
Give me a shovel, I'll dig my own grave  
Rooster go pimpin' for some other slave  
The knife's in my back, smile and tell me it's alright,  
yeah it's alright  
It's ow, ow, ow, ow, ow!

chorus

Smooth side down, sticky side up  
Watch me drown in your lovin' cup  
Nail me to the floor, roll me in the rug  
Smooth side down, sticky sticky - sticky sticky side  
(Solo)  
(Oh yeah) Smooth side down (oh smooth it up, baby,  
that's right)  
chorus repeats 2x...  
Smooth side down, sticky sticky, sticky sticky, sticky  
sticky side up!
