Got a new Toyota,
Traded in the hatchback
Can't make the payment,
But I'm not worried 'bout that
Cause I'm bulletproof

Went and got my hair cut,
Got a tattoo
Nothin' lady-like
Wasn't even thinkin' 'bout you
Cause I'm bulletproof

Well I could stand in the middle of a thunderstorm
Holding a lightning rod on your roof
This could never shatter me,
Don't smother me with sympathy
What makes you think I'm not over you?
Oh, I'm bulletproof

Gonna learn to drink me, some tequila
Light up a Marlboro Red
Dance myself brand new
In my high heels shoes

Well I could stand in the middle of a thunderstorm
Holding a lightning rod on your roof

This could never shatter me,
Don't smother me with sympathy
What makes you think I'm not over you?
Oh, I'm bulletproof

Yeah are you boys lined up
Kiss me for a quarter
I'll be a freak show, hero
Shoot me down if you wanna
Cause this fragile little girl's
Got a new suit of armor

Well I could stand in the middle of a thunderstorm
Holding a lightning rod on your roof
This could never shatter me,

Don't smother me with sympathy
What makes you think I'm not over you?
Oh, this could never shatter me,
Don't smother me with sympathy
What makes you think I'm not over you?
Oh, I'm bulletproof
(Bulletproof)
I'm bulletproof
