Oh

Baby life has got you run down  
I think it's time girl that we slow down  
So take a look it's sundown

So why don't you lay right here  
Let me just ease your mind  
I'm giving you all my time  
I'm gonna keep on, keep on  
Lovin' you

Strong and slow  
The way that you want me to  
Baby my whole life through  
I'm gonna keep on, keep on  
Lovin' you

And when that mornin' sun is dawning  
Baby both of us should call in  
'Cause we got to much love to fall in

So why don't you lay right here  
Let me just ease your mind  
I'm giving you all my time  
I'm gonna keep on, keep on  
Lovin' you

Strong and slow  
The way that you want me to

Baby my whole life through  
I'm gonna keep on, keep on  
Lovin' you

So why don't you lay right here  
Let me just ease your mind  
I'm giving you all my time  
I'm gonna keep on, keep on

Strong and slow  
The way that you want me to  
Baby my whole life through (my whole life through girl)

I'm gonna keep on, keep on  
Lovin' you

Soft and slow (slow)  
The way that you want me to (way that you want me to)  
Baby my whole life through  
I'm gonna keep on keep on keep on  
Lovin' you

Whoa, oh yeah  
I'm gonna keep on, keep on  
Lovin' you
