Oh, my world
Sea and sky, sun and moon
Oh, my world
Young so long, old so soon
Oh, my world
Took the man, made him boy
And oh, my world is the world you'll destroy

Oh, my world
Oh, my world
Oh, my world

My world
So simple minded
Why no guns to defend?
Well, since time was invented
We have known only friends
I don't mind integration
I don't mind Rock and Roll
Are you building my life now?
Or just building a hole?

So simple minded
Why no guns to defend?
Well, since time was invented
We have known only friends
I don't want reservations
I want only a life
And to be of some comfort to my children and wife
