I hear you call my name  
for the last time  
I tried to tell myself  
That it'll all be fine  
But I cannot lie  
No i'd rather die  
Than be alone

Things just aren't the way  
That theyre supposed to be  
All i wanted was,  
For you to love me  
But as time went past  
You went out so fast  
Now im alone

But I never wanted to  
Be alone  
I always wanted you  
For me to own  
I don't know what I should do 'cuz  
Now (now)  
I've lost you

I wish you wouldn't have  
Been so quick to leave  
Everything we had,  
Ripped my heart in two  
What else can I say?  
Will you please just stay  
What did I do?

But I never wanted to  
Be alone  
I always wanted you  
For me to own  
I don't know what I should do cuz  
Now (now)  
I've lost you
