She's drivin' down the fast lane going 35
he was drunk again
and so she fled
its just a standard night
yet she knows that
she'll be back again
so she'll just wait
til he sees straight
to turn to him

chorus

i told her hold on hold on to your heart
and dont go dont go giving it way
i said hold on hold on to your heart
and hold on to your heart

and nothing ever seems clear
arise your tears dried red
and the photographs you seemed to left
what she thought she had
girl its not easy
but you have to hold on
'cause all is fair in love and war
you win you lose you run

you've got to find the reason to hold on

chorus

hold on hold on to your heart

and dont go dont go giving it way
i said hold on hold on to your heart
and hold on to your heart

the story that's been told is nothing new to most
you eat her curse time after time
girls you just dont learn
take a que from what you just heard
lights camera action what's my line?
i'm lost for words to say
so i'll rip up this page
and leave these last words

up to you
'cause i cant save you now
you've got to learn somehow

i know it hurts but just

chorus

hold on hold on to your heart
and dont go dont go giving it away
i said hold on hold on to your heart
and dont go dont go givin it away
i said hold on hold on to your heart
and hold on to your heart
