You said yourself before

Where are you?

I'm needing you tomorrow,

I bet you never knew

And now everything

Is gonna fall apart,

I need you here

Not just in my heart,

This wasn't how it's supposed to be

[In loving memory]

And now I'm torn with misery

[In loving memory]

I won't forget you please don't leave

[In loving memory]

This wasn't how it's supposed to be

[In loving memory]

You said yourself before [fore]

Where are you?

Face down on the floor

I bet you never knew.

And now everything

Is gonna break again

If it just began

Why did it have to end?  
This wasn't how it's supposed to be

[In loving memory]

And now I'm torn with misery

[In loving memory]

I won't forget you please don't me

[In loving memory]

This wasn't how it's supposed to be

[In loving memory]

It won't go away

It won't go away

It won't go away

It won't go away

It won't go away

It won't go away

It won't go away

It won't go away

This wasn't how it's supposed to be

[In loving memory]

And now I'm torn with misery

[In loving memory]

I won't forget you please don't me

[In loving memory]

This wasn't how it's supposed to be

[In loving memory]
