I've been waiting and patiently praying, for this  
moment all my life  
And I never, thought I'd ever, feel so glad to be alive...  
I've spent so many years dreaming of this, I'm long  
overdue  
And finally all my dreams are happening, in an ideal  
form of you...  
Let's take this moment, squeeze it and hold it, for the  
rest of our lives,  
Then the time will never come to say goodbye...

I've spent so many years dreaming of this, I'm long  
overdue  
And finally all my dreams are happening, in an ideal  
form of you, form of you, form of you...  
I may not be perfect, but I'll always be there  
Because I know you're worth it, you're the answer, to all  
of my prayers...
