

And Then I Turned Seven "What Did I Do"

I hear you call my name for the last time
I try to tell myself that it'll all be fine
But I cannot lie, i'd rather die then be alone

Things just aren't the way that they are suppose to be
All I wanted was for you to love me
But as time passed, you went out so fast

Now Im alone

I never wanted to be alone
I always wanted you for me to hold
I don't know what I should do
Cause now I lost you

I wish you wouldn't have been so quick to leave
Everything we had, You ripped my heart in two

(Chorus)
