Sleeping on a park bench, in chilly October
Currently homeless from a recent foreclosure
I need a place to stay, you say you'll grant my wishes
I got no money but you tell me I can wash the dishes!

Sexual tension, we both can feel it
I got a swollen member, I can't conceal it
Slide into your Camaro, you see my circumstance
You tell me if I stay my fantasies stay in my pants!

CHORUS:

Let me come in Let me come in Let me come in your
house tonight!

Let me come in Let me come in Let me sleep on your
couch - alright!

Let me come in Let me come in Let me come in your
house tonight..

Ooh yeah, Ooh yeah, wanna be with you yeah!

Wooh!

I know you want me, you know I want you
Cuz you like musicians and I like people with boobs
Your lips are soft and wet, you cheeks are smooth and
rosy
It must be nice inside, my cock will be so warm and
cozy!

Let me cum in Let me cum in Let me cum in your mouth
tonight!

Let me cum in Let me cum in, baby swallow my creamy
load - don't bite!

Let me cum in Let me cum in Let me cum in your mouth
tonight..

Ooh yeah, Ooh yeah, I'll give you somethin' to chew,
yeah

Ooh yeah, Ooh yeah, I'll give you somethin' to chew,
yeah!

You're spreadin' your legs, I see it in your eyes
You're gettin' your eggs ready to fertilize
Don't get yourself excited, cuz I ain't goin' there...
Don't need no kid to support, I'm goin' up in your rear!

Let me cum in Let me cum in Let me cum in your ass
tonight!
Let me cum in Let me cum in your gluteus maximus - so
tight!
Let me cum in Let me cum in Let me cum in your ass
tonight...
Let me cum in Let me cum in your super-duper pooper
yeah!
Ooh yeah, Ooh yeah, somethin' new to you, yeah!
Ooh yeah, Ooh yeah, somethin' new to you, yeah!

Nothin' new to you! Wooh!
