Verse 1

Sleepin' on a park bench
In chilly October
Currently homeless
Or is it foreclosure?
I need a place to stay
You say you'll grant my wishes
I got no money
But you tell me I can wash the dishes

Sexual tension
We both can feel it
I got a swollen member
I can't conceal it
Slide into your Camero
You see my circumstance
You tell me if I stay
My friend has to stay in my pants

Chorus 1

Let me cum in
Let me cum in
Let me cum in
Your house tonight

Let me cum in
Let me cum in
Let sleep on your couch
Alright

Let me cum in
Let me cum in
Let me cum in
Your house tonight

Ooo yeah
Ooo yeah
Wanna be with you, yeah

Verse 2

I know you want me
You know I want you
'Cos you like musicians
And I like people with boobs

Your lips are soft and wet
Your cheeks so smooth and rosy
It must be nice inside
My cock would be so warm and cosy

Chorus 2

Let me cum in
Let me cum in
Let me cum in
Your mouth tonight

Let me cum in
Let me cum in
Baby swallow my creamy load
Don't bite

Let me cum in
Let me cum in
Let me cum in
Your mouth tonight

Ooo yeah
Ooo yeah
I'll give you something to chew, yeah

Ooo yeah
Ooo yeah
I'll give you something to chew, yeah

Verse 3

You're spreading your legs
I see it in your eyes
You're getting your eggs
Ready to fertilize

Don't get yourself excited
'Cos I ain't going there, yeah
Don't need no kid to support
I'm going up in your rear

Chorus 3

Let me cum in
Let me cum in
Let me cum in
Your ass tonight

Let me cum in
Let me cum in
Your Gluteus Maximus
So tight

Let me cum in
Let me cum in
Let me cum in
Your ass tonight

Let me cum in
Let me cum in
Your super duper
Pooper, yeah

Ooo yeah
Ooo yeah
It's nothin' new to you, yeah

Ooo yeah
Ooo yeah
It's nothin' new to you, yeah

Whoa, nothin' new to you
