I know something (about you)
I know something (about you)
I know something (being alone)
I know something (being alone)
But knowing ain't saying
But knowing ain't saying
But knowing ain't saying
I ain't saying
I ain't saying
I ain't saying nothing
NOTHING
You've got those pain in your eyes
You know I know
Satisfies, I'm getting
There ain't no God
You can't
I know something (about you)
I know something (about you)
I know something (being alone)
I know something (being alone)
But knowing ain't saying
But knowing ain't saying
But knowing ain't saying
I ain't saying
I ain't saying
I ain't saying nothing
NOTHING
No boys the murdering kind
I know you can not know you're nothing
Outside I doing
There ain't no God
Nothing
I know something (about you)
I know something (about you)
I know something (being alone)
I know something (being alone)
But knowing ain't saying
But knowing ain't saying
But knowing ain't saying
I ain't saying
I ain't saying

I ain't saying nothing
NOTHING
