Ho ho ho!  
Santa's gettin' ripped and he's lost some weight  
He's on a low-carb diet and he's lookin' great  
He's got a sack full of rubbers and you better believe  
The ladies will be screaming on Christmas Eve!  
He delivers the sexy and he never fails  
The rest of the year he works at Chip and Dales!

Sexy sexy santa  
He's got a bitchin' sled and some rock-hard abs  
Sexy sexy santa  
He knows you've naughty cuz he's keepin' tabs!

In the back of his sleigh he's got some hoe hoe hoe's  
They're lickin' eggnog drippin' from his firehouse  
He traded little Prancer for an exotic dancer  
Yeah you can see his North Pole if you look at his pants-  
a!  
He's got a bitchin' red suit and he's totally buff  
He'll come to your house if you got a stocking to stuff!

Sexy sexy santa  
He's kissin' girls under the camel toe  
Sexy sexy santa  
The elves are all horny and they're snortin' blow  
Sexy sexy santa  
It's the UK USA Brazil and Japan  
Sexy sexy santa  
Makin' love to every Christmas-lovin' woman and man!  
Suck it!

Yeah he's spreadin' Christmas cheer  
To the Scrooges and the Grinches  
Here's your log- it's a chubby eleven inches!

Naked on his reindeer [something] on booze  
Makin' love to Christians and renegade Jews!  
He's got a calander but only one day has an 'X'  
That leaves 364 days for sex!

Sexy sexy santa  
More cusion for the pushin' gonna [something]

Sexy sexy santa  
He's hot but he used to be a big fat cow!  
Sexy sexy santa  
All the little girls wanna sit on his lap  
Sexy sexy santa  
Get 'em riled up so they get free crap (crabs?)

Wow! Little girl you wanna get a little Christmas inside  
of you tonight?
