I want you to know one thing,
You ain't getting no engagement ring (yeah)
So if you wanna keep being with me
Oh you gotta give me just a little, a little more space
Stop chasing me around all over the place
And checking all the comments on my damn Myspace,
You're acting like a freakin' nut

Chorus

Why can't you trust me baby?
Why can't you trust me baby?
So i did a little blow, get off my back
Its not like I'm smoking cr*ck
Why can't you trust me baby?

I wanna tell you just one thing more,
Don't treat me like a dirty man wh*re,
Coz i can walk right out your moms front door,
Oh, you better treat me with a little, little respect
Before I go Chris Brown and punch you in the neck
Keep all your insecurities in f**kin' check
Before f**k all your ugly friends YEAH!!

Why can't you trust me baby?
Why can't you trust me baby?
I must have caught something fromt he toilet seat,
You know that i would never cheat
Why can't you trust me baby?
Why can't you trust me baby?
If you think I'm messing round, then get a grip
Or you're gonna get a big fat lip...

I tell you everything i do
It's always gonna be for you
But you never hear a word,
You treat me like a freakin' turd
Just like a big juicy turd!!

#Guitar solo

You better open up your eyes,
Its yours to trap,

I ain't puttin' up with anymore of your crap,
Stop threatening the bitches on my Facebook page,
Or I'm gonna rip your head off in a cocaine range,
Why you gotta check my prison history?
Baby, why can't we just let it be a mystery?
Besides, everybody knows it was you
Who blew Justin Bieber at the petting zoo OHH!!

Why can't you trust me baby?
Why can't you trust me baby?
.... So you understand,
I don't cheat like the rest of the band
Why can't you trust me baby?
Why can't you trust me baby?
Our love is fragile like a piece of glass,
Dont make me dump your big fat ass..
Oh yeah, yeah, yeah...

Now where's your fuckin' keys honey?
