I know something (about you)  
I know something (about you)  
I know something (being alone)  
I know something (being alone)  
but knowing ain't saying  
but knowing ain't saying  
but knowing ain't saying  
I ain't saying  
I ain't saying  
I ain't saying nothing  
NOTHING  
You've got those pain in your eyes  
You know I know  
Satisfies, I'm getting  
There ain't no God  
You can't  
I know something (about you)  
I know something (about you)  
I know something (being alone)  
I know something (being alone)  
but knowing ain't saying  
but knowing ain't saying  
but knowing ain't saying  
I ain't saying  
I ain't saying  
I ain't saying nothing  
NOTHING  
No boys the murdering kind  
I know you can not know you're nothing  
Outside I doing  
There ain't no God  
Nothing  
I know something (about you)  
I know something (about you)  
I know something (being alone)  
I know something (being alone)  
But knowing ain't saying  
But knowing ain't saying  
But knowing ain't saying  
I ain't saying  
I ain't saying  
I ain't saying nothing

NOTHING
